Agenda / Learning Objectives:

1. Run the following command and extract `lab12.tar` in your venus account (note the dot):
   
   ```
   cp ~ctse/cs211/lab12.tar . ; tar xvf lab12.tar
   ```

2. Finish up the lab 11 exercises before checking the solutions in `lab12.tar`

3. Complete the test bank questions from chapter 6 and 7

Note: If you want to have more practices on writing classes, take a look at professor Sand’s exercise on **Time** class.
