Departmental tutors are available to help students from this course. For information about tutors ask in the department office, Science Building A135-G

Assignments Submission:

1. Homework must be submitted on or before the published deadline.
2. Submit your homework through Blackboard. Only .cpp source file is acceptable.
3. Homework filename format should be:
LastName_FirstName_HW#.cpp
Make sure you use the correct format, otherwise you will lose **10 points**.
4. If your program can not be compiled, then you get **0** for that homework. If your program can not be run but it can be compiled, then you lose at **least 50 points** for a single homework.
5. **If two or more students submit copied work, all students involved will fail the homework component of the course.**
